AMENDMENT AND REMARKS

Sir:

In reply to the Notice of Non-Compliant Amendment mailed August 28, 2006, for the above-identified application, applicant submits herewith a revised claim set clearly showing by double brackets, instead of by strike-through, the changes that were not clear due to the unclear facsimile transmission. Applicants respectfully request that the Examiner enter the amended claims and that the amended claims and the remarks submitted on 13 June 2006 be considered.

No Amendments to the Specification were made in this Response.

The revised Amendments to the Claims are reflected in the listing of claims which begin on page 2 of this paper.

No additional Remarks/Arguments are contained in this response.
